

Dear colleagues and people who care about education and academic freedom: enclosed is a regularly updated bibliography of sources documenting the ideological objectives, activities, personalities, associates, and fellow travelers of *Turning Point USA/Professor Watchlist*. My aim is that it be a useful resource in the effort to produce sustained, principled, nonviolent, but unrelenting opposition to TPUSA and to the growing number of organizations like *Campus Reform*, *FIRE*, and the David Horowitz (misnamed) *Freedom Center*. Their vision of America is anti-immigration, climate change denial, anti-Muslim, misogynist, racist, and--perhaps most significantly, anti-science. They're actively inspired by the Trump administration--among the most bigoted and corrupt in human history. They exist to advance the profit ventures of their white and male corporatist beneficiaries. They routinely utilize dog whistles such as references to "Western values," "Western civilization," "Blue Lives Matter," etc to signal their fans and adherents. There are included here a wide range of associates, fellow-travelers, and instrumental relationships connected to either TPUSA or to one of its leadership, particularly Charlie Kirk. This regularly updated bibliography is intended as a sustained act of resistance.

### **Samples of Charlie Kirk, Racist/Misogynist/Homophobic Tweets:**

1. The idea of white privilege is racist, harmful, & lacks any evidence It is one of the most dangerous, cancerous, & widespread ideas in higher education It judges people on something they cannot control: skin color It assumes advantages that don't exist simply on pigmentation.  
(<https://twitter.com/charliekirk11/status/981949486145638400>).
2. Thousands of illegals head in a caravan to illegally enter our country This is now a national security issue with plenty of warning to prevent this What's to prevent ISIS from infiltrating this group? Trump should mobilize US troops and prevent their crossing into America  
(<https://twitter.com/charliekirk11/status/980839822142181377>)
3. All men are created equal however all cultures are not equal America and the west remain humanity's last, best chance.

4. <http://www.illinoishomepage.net/news/local-news/moore-scandal-divides-illinois-gop/868194166>: *"If they want to get their fifteen minutes of fame, that's what they're doing," Nehlen said of Moore's accusers. "Roy Moore is a righteous Christian man and he is being put upon by people in media around the country. I'm going to be right by his side on December 12th when he wins the election. I'm going to be cheering him to victory." Nehlen's district borders Illinois' northern boundary and is home to Uihlein's corporate headquarters, a packaging and appliances company which relocated just across state lines in 2008. **Uihlein's family foundation also gave \$325,000 to Turning Point USA**, a conservative campus activism group headed up by Wheeling native Charlie Kirk. The Ed Uihlein Family Foundation also made annual contributions to Phyllis Schlafly's Eagle Forum Foundation and Legal Defense Fund. Both groups were present at last week's 'Make America Great Again' rally. Kirk agreed with portions of Nehlen's remarks, saying, "Despite the truth or untruth of the allegations, this was a liberal hit job against Roy Moore. They held the story until after the primary. They had the story waiting for months, and then they said we're going to hit him when there's no other option." That's not an honest way to do journalism," Kirk said. "That's a political hit job done by the Washington Post who has an agenda to try to destabilize this president." Kirk made those comments before a conservative [undercover plot to discredit the Post's reporting on Moore backfired](#), but he still concluded the former Alabama Chief Justice should leave the race...Kirk supported Rauner's primary and general election campaigns in 2014, and in turn, Rauner donated \$150,000 to his campus activism group."*

1. [https://www.sourcwatch.org/index.php/Vernon\\_K.\\_Krieble\\_Foundation](https://www.sourcwatch.org/index.php/Vernon_K._Krieble_Foundation)

This June, TPUSA will award the **Unsung Hero Award** to six students who boldly, bravely, and successfully pushed back against the left on campus.

Priority will be given to students who led a movement or initiative that resulted in **positive change** (for example, eliminating a free speech zone, de-funding a liberal cause on campus, removing a biased and untruthful textbook from the curriculum, etc.).

**Prizes will be given as follows:**

- One (1) \$5,000 prize for 1st place
- Two (2) \$2,500 prizes for second place
- Three (3) \$1,000 prizes for third place

This is an incredible opportunity for you or someone you know to be recognized for their brave and bold work.

If hostile [Marxists](#) with a history of dumping scores of millions of naked, emaciated and gunshot bodies into pools of black blood and spattered fat at the bottom of killing pits, want to call me toxic – what do I care for their words, when their actions are where my arms and brothers must contend? Thus the process is fearsome: The return of authentic, powerful, unapologetic masculinity is a leading indicator of war...**RS: The Western world is under grave threat from migration- more people are on the move today than at any time in history. Pew Research indicates that Europe could be as much as 20% Muslim by the middle of the Century, with nations like France, Sweden and my own United Kingdom with far higher populations. This is, without doubt, an undesirable outcome for Europeans. Is there hope for the West?** There is hope for the West if it accepts the reality of war. There is hope for the West if the men who inherited it, return to their true and inherent nature as warriors and priests. There is hope for the West if leaders stand forth with the vision, plans, and competence that are so bitterly demanded...Sweden is a degenerate, obsequious pit of unforgivable cuckery and the descent of that nation into insane, multicultural suicide will require serious blood and killing to return it to the fold of the West."
